

To Whom It May Concern:

Triple Threat International (TTI) is a 501©(3) organization whose mission is to use the great sport of basketball as a tool to promote the values of self worth, personal integrity, service to family and community, and achievement. Our modus operandi is to stage safe, drug-free, family friendly basketball tournaments in local communities, complete with slam dunk contests, jerseys, free food, and trophies for the winners. Local community leaders and celebrities are invited to participate. At halftime, these leaders are called upon to speak to the athletes and share life lessons with them. TTI provides support and encouragement to the athletes post-tournament through follow-up and mentoring sessions. Historically, sports have been known to bring unity - our goal is to bring this hope to all communities.

In order for us to continue to serve our community, we need your help! TTI holds 4 events per year - with a projected cost of \$25,000 - \$30,000. We are reaching out to your organization for financial assistance, or assistance in providing any of the following items:

- Design and Print of Promotional Postcards
- Design and Print Banners and Posters
- Trophies and Awards
- Pinnies and T-shirts
- Food and Refreshments
- Live DJ
- Referees
- Guest Speakers
- Digital Scoreboards

Should you decide to send donations, please make all check(s) to: Triple Threat International. Thank you for your kind consideration of this worthy cause.

Sincerely,
